FOURTH POST-JUDGMENT STATUS REPORT

The parties respectfully submit the instant Fourth Post-Judgment Status Report, consistent with the Court’s Order dated October 12, 2018. Order, ECF No. 25.

On October 11, 2018, the parties filed their Third Post-Judgment Status Report, noting that, on October 4, 2018, defendant the Department of Justice (“DOJ”) had produced the remaining pages of the AI Dallas CD to plaintiff the Project on Predatory Student Lending (“Project”). Third Post-Judgment Status Report, ECF No. 87 (Oct. 11, 2018). The status report noted that the parties were in communication regarding the basis of certain redactions in the pages that were produced. *Id.* at 2. On October 16, 2018, the Court issued an order requiring the parties to file a follow-up Joint Status Report by November 13, 2018, “advising as to the status of outstanding matters including the redactions to the DOJ’s production.” Order, ECF No. 25. This report fulfills that obligation.

As the Court is aware, the Honorable Peter J. Phipps, who formerly represented the DOJ in this matter, recently became a United States District Judge for the Western District of Pennsylvania. Following Judge Phipp’s confirmation, new counsel entered appearances on

behalf of DOJ. Defense counsel currently is in the process of reviewing the case filings as well as the DOJ's productions. On November 9, 2018, counsel for all parties met and conferred telephonically, consistent with the Court's October 16, 2018 Order, to discuss the Project's concerns regarding the DOJ's production. The parties agreed to maintain open communication over the next few weeks in an attempt to resolve the Project's concerns without the need for Court intervention. Accordingly, the parties are requesting an additional 30 days, until December 13, 2018, to file another Status Report advising the Court as to any remaining issues related to the DOJ's production of the AI Dallas records.

Respectfully submitted,
